DrupalCon Munich 2012

Review

<http://munich2012.drupal.org/>

1800+ Visitors

- Wow!
- The Swiss DrupalCon
- Largest European Event
- But ~ 79% men 11% women ?

<http://groups.drupal.org/node/252973>

3 Keynotes – Drupal

3 Keynotes – Symfony

3 Keynotes – Digital Democracy

Open Government builds on Transparency

Open.gov.me

Transparency

- Open Data (raw format)
- Transparent decisions, processes, consequences (e.g. how laws are made)

Collaboration

- „Crowdsourcing“ as method for public procurement and innovation
- Cooperation in and across authorities, with Civil Society

Participation

- eDemocracy/eParticipation (co-decide, consult, discuss)
- Mobilise citizens, improve service

Anne Domestini-Berg, 22.08.2012, mailto: an@open.gov.me, DigitalGov, Munich

70+ Sessions

- Topics: Coding and Development, Community, Frontend, Business and Strategy, Sitebuilding, DevOps, Core Conversations, Day Stage
- ~8 Sessions per Slot
 - <http://munich2012.drupal.org/program/schedule>
- Original session submissions
 - <http://munich2012.drupal.org/stats/sessions>
